

Sprint 3 Report
Product: Loops
Team: Loopers
November 23, 2016

Actions to stop doing: Planning a user story where it's completion is needed for other user stories to have work started on.

Actions to start doing: Plan out user stories better so foundation level code is written to prevent delays.

Actions to continue doing: Continue to communicate problems well so that others may help.

Work Completed:

- As a runner, I'd like to be able to save the routes I've taken so I can run my favorites.

Work Not Completed:

- As a biker, I want to choose my destination and the distance to get there so I can accomplish my distance goals and stop by different destinations.
- As a health fanatic, I like to track my progress so that I can see how far I've come over time.
- As a person that succeeds with positive reinforcement, I would like to gain achievements so I can stay motivated.

Work Completion Rate:

- 1 user story completed
- ~40 work hours
- 17 days in Sprint 3
